

7th Annual JUMBO Golf Challenge

On Tuesday 1st September, JUMBO Golf Challenge 2015 saw both leisure and competitive golfers battle it out on the greens at NSRCC Safra Resort!

With an increasing member-golfers fan base and overwhelming response, the Golf Challenge this year featured 2 sessions in its 7th year to accommodate the needs of JUMBO Rewards Members.

In celebration of Singapore's Golden Jubilee, golfers received newly customized SG50 golfing apparels and goodie bags.

Additionally, JUMBO thoughtfully engaged the Visually Handicapped Mobile Massage Team to help golfers unwind and relax during the screening of the local movie production "Ah Boys to Men 3: Frogmen" for golfers who tee off in the morning session.

For the first time, a lunch buffet featuring Singapore local delights at J Café was set up for golfers to boost their energy levels before their tee off in the afternoon!

The event ended with a delectable seafood dinner accompanied by attractive lucky draw prize. Everyone witnessed the defending champion, Mr Albert Moh handing over the Challenge Cup to Mr Ong You King – Winner of the 7th Annual JUMBO Golf Challenge.
