

## JUMBO's 30<sup>th</sup> Annual Dinner & Dance + 30<sup>th</sup> Anniversary Celebration Dinner

On 20 February 2017, our 30<sup>th</sup> Annual Dinner & Dance was held at the Shangri-La Hotel, with over 800 staff showing up in their finest outfits befitting of the theme for the night – Pearl. Veteran Mediacorp artiste and resident funny-man, Mark Lee, was our emcee on this special occasion, inviting peals of laughter from the audience with his wit and jokes.

This year, an extraordinary 'flash mob' song performance was put together by our top management for the very first time: initiated by our Group CEO Mr. Ang Kiam Meng himself, the rest of the executive directors, Heads of Operations and Kitchen later joined in to complete an astoundingly heart-warming performance of the song '我相信'. It was truly a performance to remember! Our staff who have served with us for 5, 10, 15, 20, 25 and 30 years were also presented with awards to acknowledge their hard work and contributions over the years – JUMBO would not be here today without them.

Our 30<sup>th</sup> Anniversary Celebration Dinner was likewise, a time to express our gratitude to the suppliers and business partners who have supported us for the past 3 decades. The pre-event began with our partners of 5, 10, 15 and 20 years being presented with small trophy, as a token of our appreciation. Senior Minister of State, Ministry of Culture, Community and Youth & Ministry of Trade and Industry, Ms. Sim Ann, also graced our event as our Guest-of-Honour. She, together with Mr. Ang, awarded the suppliers who have worked with us for 25 and 30 years on stage, a feat that truly deserved its due recognition.

The night ended on a high as Mr. Ang presented \$10,000 donation cheques to three different organizations, who continue to do an incredible work for our society. The joyous time of celebration concluded with an awesome Music Video and accompanying dance performance by our very own staff, which took weeks of practice with a professional choreographer!
