

Hoops Away!

Our JUMBO staff members continuously surprise us with their capabilities, in more ways than one. This year's annual internal Basketball Competition 2015 held on 27 May 2015 was yet another dazzling display of talent, as the teams from JUMBO Seafood East Coast (Pirates), JUMBO Seafood NSRCC (超级战对), JPOT Parkway Parade & Singapore Seafood Republic (Unbelievable), JUMBO Seafood Gallery (帝光) and JUMBO Headquarters (Team HQ) came face-to-face on the 'battlefield', better known as the courts of Bedok Community Centre.

Whenever there's a competition, there can only ever be one winner, and it was 帝光 from JUMBO Seafood Gallery who eventually came in 1st, under the leadership of Mr Tan Wee Beng who was also crowned Most Valuable Player. Nevertheless, the games concluded with light hearts and good spirits; every staff member united by the simple love for the sport regardless of the outlet they were representing.
