

JUMBO Rewards Members' Appreciation Night

JUMBO's first Members' Appreciation Night, a sold-out event, was held on 29 January 2015 at Chui Huay Lim Club. Themed on the 80s and 90s, games like Pacman, Tikam-Tikam and snacks like "kachang puteh" made their appearance to recreate the essence of the era. It was a night of entertainment, nostalgic games, a lucky draw and an all-round rumbustious programme, made even better with the 8-course dinner & wine menu put together by the Chefs at Chui Huay Lim Teochew Cuisine. In his welcome speech, Mr Ang Kim Meng, CEO of the JUMBO Group, thanked the guests for their presence and for their patronage of JUMBO. What must have been good news for members was Mr Ang's announcement that the Members' Appreciation Night would be the first of such events, in addition to JUMBO's hugely popular annual Golf Challenge. The night truly belonged to the members. Dancing, acting, singing, they did it all with good-natured fun.
