

8th Annual JUMBO Golf Challenge

On 13 September 2016, our signature JUMBO Golf Challenge event reunited our loyal fan base of member-golfers, who came together at NSRCC Safra Resort for their yearly dose of sporting fun!

As always, the overwhelming response from our enthusiastic Rewards members demanded a need for 2 sessions on the greens. Bridging the morning and afternoon sessions was a scrumptious lunch buffet, making sure the afternoon golfers were well-fed before heading to the battlefield. The morning session golfers were then treated to an entertaining movie marathon session featuring the film “Long Long Time Ago”, part one and two, to unwind after their delicious meal. A visually handicapped mobile massage team was also on stand-by to provide relief for any aching limbs and tired bodies.

The event ended with a delectable seafood dinner accompanied by a night of games, laughter and a lucky draw prize that had everyone roaring and cheering in excitement. Everyone demonstrated their sporting spirits as they clapped heartily for Mr John Choo as he received the Challenge Cup – the winner of our 8th Annual JUMBO Golf Challenge.
