

The Stars of JUMBO Seafood Shanghai

Following JUMBO's 29th Annual Dinner & Dance last week in Singapore, we brought the fun over to Shanghai! Held at South Beauty restaurant, we saw the event being graced by Celebrity Chef Sam Leong, together with over 200 JUMBO staff and the senior management team.

With "The Star of JUMBO" as the theme of the night, we witnessed strong competition amidst exciting performances. "小苹果" which consisted of the kitchen staff from the Raffles City(Shanghai) outlet emerged 1st place for the night with their stellar vocals and exhilarating dance moves!
